OUR COMPLAINTS PROCEDURE

We are committed to providing good quality services. **We** recognise that a client may not be satisfied with the service provided. To deal with this **we** have a complaints procedure. For the sake of clarification, a complaint is broadly defined as being a written expression of dissatisfaction with services that **we** provide or actions **we** have taken that require a response.

HOW TO COMPLAIN

STEP 1 – CONTACTING US

The first step is to talk to a member of **our** personnel or of **your** intermediary if the **Policy** was arranged through one. This can be done informally either directly or by telephone. Usually the best person to talk to will be the person who dealt with the matter **you** are concerned about as they will be in the best position to help **you** promptly and to put things right. If they are not available or **you** would prefer to approach someone else, then address the matter to the manager or senior person responsible. **We** will seek to resolve the problem immediately. If **we** cannot do this, then **we** will take a record of the concern and arrange the best way and time for getting back to **you**. This will normally be within two working days.

STEP 2 – TAKING THE COMPLAINT FURTHER

If **you** are still unhappy the next step is to put the complaint in writing, addressing it to the Complaints Officer, setting out the details, explaining what **you** think went wrong and what **you** feel would put things right. If **you** are not happy about writing a letter, **you** can always ask a member of **our Company** to take notes of the complaint which **you** will be then asked to sign. **You** will be provided with a copy for **your** own reference. This record will be passed promptly to the Complaints Officer to deal with.

Once the Complaints Officer receives a written complaint, s/he will arrange for it to be fully investigated. The complaint will be acknowledged in writing within five working days of receiving it and the letter will state when **you** can expect a full response. This should normally be within fifteen working days unless the matter is very complicated such as where other organisations need to be contacted. Where this is the case **we** will still let **you** know what action is being taken and will inform **you** when **we** expect to provide a full response.

TAKING YOUR COMPLAINT ELSEWHERE

If **you** are still not satisfied with the Complaints Officer's response, **you** can always seek advice elsewhere. **You** may contact:
