DEFINITIONS

Wherever **you** see the following words or phrases, they will have the meanings shown next to them and are shown in bold print. Any word or expression to which a specific meaning has been given has the same meaning wherever it appears unless the context requires otherwise:

Accessory or Accessories mean a product specifically designed for attachment to **your vehicle** and which is not directly related to how it works as a vehicle.

Airside means any area where aircraft are normally to be found landing, taking off, manoeuvring or parked, including the associated service roads and ground equipment parking areas and those parts of passenger terminals which come within the customs examination area except where such liability is required to be covered by **legislation**.

Certificate of Motor Insurance means the document that **you** must have as proof that **you** have the motor insurance necessary to comply with the law. The certificate does not, however, indicate the full policy cover and for this **you** need to refer to this **policy**. Wherever the expression certificate of motor insurance is used in this contract, it means the certificate which from time to time, is that in force and not one which **we** have withdrawn or which has ceased to be valid.

Claim means a claim against **you** or against any person covered by this **Policy** for damages that are required to be covered by the **Legislation**, the Protection and Compensation Fund Regulations or other regulations replacing them or any agreement between insurers regardless of whether **you** or such other person has failed to notify such event to insurers. Each and every loss shall be considered as a separate **claim** under the **policy**.

Designated State relates specifically to cover under Section 1 (Liability to Others) of this **Policy** and by **Endorsement** to Sections 2 (Fire & Theft Damage to your Vehicle) and 3 (Loss or Damage to your Vehicle) of this **Policy** and as defined in the **Legislation**.

MotorCycle includes quadricycle or quad bike.

No Claim Discount means the discount shown in the **Schedule**. If no **claim** is made under **your policy**, **we** will increase **your no claim discount** when **you** renew **your policy** in line with the scale **we** apply at that time. Where **you** have made a **claim**, **we** will reduce **your no claim discount** in line with the scale that **we** apply at that time.

If **your** renewal is due and **we** have not yet recovered any payments that **we** made to **you** from the responsible party, **you** may lose **your no claim discount** temporarily.

SECTION 3 - LOSS OF OR DAMAGE TO YOUR VEHICLE

We will cover **you** for accidental loss of or damage to **your vehicle**. **We** will also cover **you** for accidental loss of or damage to the vehicle's **accessories** and spare parts while in or on **your** vehicle or while in **your** locked **private garage**.

The maximum amount payable by **us** will be the reasonable **market value** of **your vehicle** at the time of the loss or damage but not exceeding **your** estimate of value as stated in the **Schedule**.

At **our** own option, **we** may repair, reinstate or replace **your vehicle** or any part of it or its **accessories** or spare parts or may pay the amount of loss or damage.

We may decide to repair **your vehicle** with parts which may have not been made by the manufacturer of **your vehicle** but which are of a similar standard. **We** will not pay for that part of the cost of any repair or replacement which improves **your vehicle** beyond its condition before the loss or damage occurred.

If, to **our** knowledge, **your vehicle** or **vehicle's** battery or batteries are subject to a hire purchase or leasing agreement, **we** may make any payment arising from a **claim** under the **policy** to the owner described in that agreement whose receipt will be a full and final discharge to **us**.

In the event of the cost of repairs to **your vehicle** exceeding its current **market value**, **we** will settle **your claim** by payment of **your vehicle's market value**. In such event **we** may at **our** option take possession and ownership of **your vehicle** and dispose of it and retain its salvage value.

In the event **you** have purchased **your vehicle** as new in **Malta**, and within 12 months it is:

- a. stolen and not recovered; or
- b. damaged and its repair costs are more than 60% of its current new list price including V.A.T. where appropriate, **we** will replace **your vehicle** with a new vehicle of the same make, model and specification if immediately available in **Malta**. If a vehicle of the same make, model and specification is not immediately available in **Malta** or if **your vehicle** was not purchased in **Malta**, the most **we** will pay is the reasonable **market value** of **your vehicle** in **Malta** at the time of loss or damage. In such event **we** may at **our** option take possession of **your vehicle** and dispose

of it and retain its salvage value. **Your claim** for any lost or damaged part or **accessory** which is no longer obtainable will be limited to the cost shown in the manufacturer's last published price list in **Malta** and the reasonable cost of fitting.

If **we** know **you** are paying for **your vehicle** by hire purchase or under a leasing agreement or by a bill of sale by way of mortgage **we** shall either:

- a. if **we** are paying the cost of replacing **your vehicle**, pay the proceeds of **your claim** to the company from which **you** are buying or leasing **your vehicle** or to the mortgagor described in the bill of sale or if **you** owe less than the proceeds of **your claim**, **we** shall pay **you** the balance; or
- b. if **we** replace **your vehicle**, **we** must first have the permission of the company from which **you** are buying or leasing it.

If it is necessary to replace **your vehicle's** battery with a new one after it sustained damages which are covered under this **policy**, then **we** will pay **you** the cost of a replacement battery less a 10% depreciation for each year the damage battery was in operation, with the remaining deducted balance to be borne by **you**.

Authorisation of minor repairs

You may authorise any necessary repairs to **your vehicle** following any accidental damage to it provided that:

- the estimated cost of such repair does not exceed the sum of €150; and
- an estimate of the cost is forwarded to **us** without delay, together with photographic evidence of the damage.

Third Party Uninsured driver promise

If **your vehicle** is damaged in an accident where the driver of the responsible vehicle is not insured, **you** will not lose **your no claim discount** and **we** will refund the cost of any **excess you** have had to pay. **You** must provide **us** with the registration number, the make/model of the vehicle and the driver's details of the vehicle responsible. This promise only applies where the driver of **your vehicle** was not at fault. It will not apply if the vehicle that damages **your vehicle** remains untraced.

What is NOT covered under this SECTION (see also GENERAL EXCLUSIONS):

This **Policy** does not provide cover for:

- i. the amount of **excess** shown in the **Schedule**;
- ii. loss of use of **your vehicle** or other indirect costs when it is damaged or stolen;
- iii. loss resulting from deception;
- iv. loss of or damage to any entertainment equipment, portable GPS navigation devices and mobile phones attached to or on a **motorcycle**;

- 3. total loss by physical severance at or above the wrist or ankle of one or more limbs.

Payment shall be made for only one of the above benefits in respect of each **injured person** and the total amount **we** shall pay under this extension during any one **period of insurance** shall not exceed the amount shown in the **Schedule** for each **injured person**.

If there will be more than three persons injured, payment will be effected by dividing the Maximum Limit proportionately between such **injured persons**. This limitation shall, however, not apply and benefits payable shall be doubled if **you** and **your spouse/partner** shall sustain bodily injury as a direct result of the same accident involving **your vehicle** causing death of both parties provided that at the time of the accident **you** have children under 18 years of age.

We will, however, deduct any amount paid under this extension from any payment made under Section 1 (Liability to Others) of this **Policy** to any of **your** passengers in respect of death or bodily injury for

which **you** are legally liable.

If **you** shall suffer some form of permanent disability as a direct result of an accident involving **your vehicle** requiring modifications to be made to **your vehicle** with adaptive devices and equipment, **we** will pay **you** the amount of €2,000 in order to carry out such modifications.

This extension will also operate if **you** shall sustain bodily injury as a direct result of any motor accident when **you** are a pedestrian or using a pedal cycle (excluding motor assisted pedal cycles). - iii. as a result of, or which is contributed to by **you** or any driver having taken a drug unless taken on proper medical advice and not for the treatment of drug addiction;
- iv. if **you** or any of **your** passengers are insured by another policy covering death or bodily injury;
- v. if **your vehicle** is a **motor cycle** or other excluded vehicle.

Any such payment will not affect **your** entitlement to **No Claim discount**.

4.2. MEDICAL EXPENSES

If **you** or any person in **your vehicle** sustain any bodily injury as a direct result of an accident involving **your vehicle**, **we** will, at **your** request, refund the cost of medical treatment in connection with such injury up to the sum shown in the **Schedule** for each **injured person** provided cover is not being granted under any other motor insurance policy.

Any such payment will not affect **your** entitlement to **No Claim Discount**.

4.3. BREAKAGE OF GLASS

We will cover **you** for any accidental damage, where the damage is caused by breakage only, to the glass in **your vehicle's** windscreen, sunroof or windows and any scratching to the bodywork caused by broken glass, up to the limit shown in the **Schedule**, any one occurrence.

Any such payment will not affect **your** entitlement to **No Claim Discount** if this is the only damage **you** claim.

4.4. USE BY THE MOTOR, HOTEL OR RESTAURANT TRADE

We will cover **your vehicle** when it is in the hands of a motor trader carrying on the business from a motor trade outlet or premises for service, overhaul or repair or when it is being parked by an employee of a hotel or restaurant vehicle parking service.

In such instances **we** will ignore the limitations about driving and use described in the **Schedule** provided the other terms and conditions of the **Policy** are observed.

B. OPTIONAL EXTENSION APPLICABLE TO ALL SECTIONS OR AS STATED IN THE SCHEDULE

4.5. PROTECTION OF YOUR NO CLAIM DISCOUNT (PRIVATE VEHICLES ONLY)

On payment of an additional premium, **we** will not reduce **your No Claim Discount** entitlement shown in the **Schedule** on the renewal of **your** insurance, unless **you** make two **claims** or more (not being **claims** where the only damage sustained is breakage of glass in the windscreen or windows) during the current **period of insurance**. If more than one **claim** is registered in the same **period of insurance** the protection will be lost and the **no claim discount** will be reduced in accordance with the scale that **we** apply at that time.

C. STANDARD EXTENSIONS APPLICABLE TO SECTIONS 2 (FIRE & THEFT DAMAGE TO YOUR VEHICLE) AND 3 (LOSS OF OR DAMAGE TO YOUR VEHICLE) OF THIS POLICY ONLY OR AS STATED IN THE SCHEDULE

4.6. LEGAL ASSISTANCE FOR UNINSURED LOSSES

We will cover **you** or any **authorised driver** for legal costs and expenses incurred in the institution and continuation of legal proceedings (as plaintiff) to recover **uninsured losses** or damages relating to policy **excess**, loss of earnings, loss of use, loss of **personal belongings**, compensation for death or personal injury or property damage as a result of a motor accident involving **your vehicle** that is insured by **your Policy** up to the limit shown in the **Schedule**.

We will not be under any liability to pay any amounts beyond the limit shown in the **Schedule** whether or not the legal proceedings have been concluded.

Cover under this extension shall only be applicable provided that:

OUR COMPLAINTS PROCEDURE

We are committed to providing good quality services. **We** recognise that a client may not be satisfied with the service provided. To deal with this we have a complaints procedure. For the sake of clarification, a complaint is broadly defined as being a written expression of dissatisfaction with services that **we** provide or actions we have taken that require a response.

HOW TO COMPLAIN

STEP 1 – CONTACTING US

The first step is to talk to a member of our personnel or of **your** intermediary if the **Policy** was arranged through one. This can be done informally either directly or by telephone.

Usually the best person to talk to will be the person who dealt with the matter you are concerned about as they will be in the best position to help you promptly and to put things right. If they are not available or you would prefer to approach someone else, then address the matter to the manager or senior person responsible. We will seek to resolve the problem immediately. If we cannot do this, then we will take a record of the concern and arrange the best way and time for getting back to you. This will normally be within two working days.

STEP 2 – TAKING THE COMPLAINT FURTHER

If **you** are still unhappy the next step is to put the complaint in writing, addressing it to the Complaints Officer, setting out the details, explaining what **you** think went wrong and what **you** feel would put things right. If **you** are not happy about writing a letter, **you** can always ask a member of **our Company** to take notes of the complaint which **you** will be then asked to sign. **You** will be provided with a copy for **your** own reference. This record will be passed promptly to the Complaints Officer to deal with.

Once the Complaints Officer receives a written complaint, s/he will arrange for it to be fully investigated. The complaint will be acknowledged in writing within five working days of receiving it and the letter will state when you can expect a full response. This should normally be within fifteen working days unless the matter is very complicated such as where other organisations need to be contacted. Where this is the case we will still let you know what action is being taken and will inform you when we expect to provide a full response.

TAKING YOUR COMPLAINT ELSEWHERE

If **you** are still not satisfied with the Complaints Officer's response, **you** can always seek advice elsewhere. **You** may contact:
