APPLICABLE LAW

Unless both you and we agree otherwise this contract shall be subject to Maltese Law and to the exclusive jurisdiction of the Maltese courts.

INSOLVENCY

In the event that we become insolvent and unable to meet our obligations under this contract, limited compensation may be available to you under the Protection and Compensation Fund Regulations, 2003.

COMPLAINTS

We are committed to providing good quality services. We recognise that a client may not be satisfied with the service provided. To deal with this we have a complaints procedure. For the sake of clarification a complaint is broadly defined as being a written expression of dissatisfaction with services that we provide or actions we have taken that require a response.

HOW TO COMPLAIN

STEP 1 – CONTACTING THE COMPANY

The first step is to talk to a member of the Company's personnel or of the intermediary if the Policy was arranged through one. This can be done informally either directly or by telephone.

Usually the best person to talk to will be the person who dealt with the matter the Insured is concerned about as they will be in the best position to help the Insured promptly and to put things right. If they are not available or the Insured would prefer to approach someone else then address the matter to the manager or senior person responsible. The Company will seek to resolve the problem immediately. If the Company cannot do this then the Company will take a record of the concern and arrange the best way and time for getting back to the Insured. This will normally be within two working days.

STEP 2 – TAKING THE COMPLAINT FURTHER

If the Insured is still unhappy the next step is to put the complaint in writing, addressing it to the Complaints Officer, setting out the details, explaining what the Insured thinks went wrong and what the Insured feels would put things right. If the Insured is not happy about writing a letter, the Insured can always ask a member of the Company to take notes of the complaint which the Insured will be then asked to sign. The Insured will be provided with a copy for their own reference. This record will be passed promptly to the Complaints Officer to deal with.

Once the Complaints Officer receives a written complaint, s/he will arrange for it to be fully investigated. The complaint will be acknowledged in writing within five working days of receiving it and the letter will state when the Insured can expect a full response. This should normally be within fifteen working days unless the matter is very complicated such as where other organisations need to be contacted. Where this is the case the Company will still let the Insured know what action is being taken and will inform the Insured when the Company expects to provide a full response.

TAKING YOUR COMPLAINT ELSEWHERE

If you are still not satisfied with the Complaints Officer's response, you can always seek advice elsewhere. You may contact:
